Österreichische Mehrwehrtrufnummern (081x,082x,09x) werden gesondert verrechnet, siehe https://www.rtr.at/de/tk/rateRanges. Die Tarife der einzelnen Auslandszonen gelten nur für Verbindungen im Rahmen des üblichen Telefonieaufkommens und nur für Verbindungen in das jeweilige Fest oder Mobilnetz, bei denen keine über das Verbindungsentgelt hinausgehenden Entgelte (wie z.B. Zuschläge oder Mehrwertentgelte welcher Art auch immer) anfallen. Ansonsten ist HostProfis berechtigt, die tatsächlich anfallenden Entgelte zuzüglich der anwendbaren Auslandszonentarife in Rechnung zu stellen.
